

Result for the year 2006: Binder+Co maintains its successful course

AGM agrees dividend of 32 cents per share

Gleisdorf / Vienna, March 26, 2007. As expected, at today's AGM, the Binder+Co AG shareholders approved the annual financial statements presented for 2006. During the past year the Gleisdorf-based processing, environmental and packaging technology specialist was able to markedly improve both its sales and result. Sales were up by around 7.8% at EUR 42.7 million, while the result from ordinary business activities rose by a notable 21.9% to EUR 3.9 million. The profit per share was 60.4% higher at EUR 0.91. Since 2003, sales have been increased by an average of 5% p.a. and EBIT by an average of 25% p.a.

Following approval by the AGM, the positive result has prompted Binder+Co to pay a dividend of 32 cents per share, which represents a distribution quota of around 35%. Member of the Board, Karl Grabner, "This dividend serves to underline our sustained success course and commitment to providing our stockholders with a commensurate share of the benefits. Particularly after our stock exchange float, the continuation of our constant dividend policy of many years is a special concern."
